

REMARKS

This amendment is in response to the Notification of Defective Response dated 8/10/2007. These claims replace all existing claims. Applicant has renumbered the amended claims starting at 1 because:

Firstly, as published the application has the above claims numbered as indicated and this avoids confusion;

Secondly, the OIPE has failed to identify which claim set is at issue. There are currently two claim sets, one having 16 claims, and another having 28 claims; and

Thirdly, Applicant does not want to cancel too few or too many claims depending upon which claim set the OIPE is considering.

Therefore, Applicant has cancelled all prior claims without prejudice, regardless of which set is under consideration, and files the amended claims as above. No new matter has been added.

Conclusion

Applicant has amended the application.

The Examiner is invited to call Alan Heimlich at 408 253-3860 if there are any questions. Cleartext email communication is authorized.

Respectfully submitted,
